Moments To Remember

1987

CARMICHAELS AREA JR.-SR. HIGH SCHOOL

CARMICHAELS, PA

VOLUME XXV

Beginning . . .

When we first begin high school, in the seventh grade, our lives begin change. We meet new people, new friends. Friends we will have until the end of time. We meet new challenges, set new goals. The world is a much larger and new place for us.

As we are growing we participate in sports, organizations, and different activities. In such a small school, as Carmichaels Area, we get a close, personal, relationship with the teachers as well as the students and the coaches. It makes beginning a lot easier.

Going through the pictures on the page, you'll find the hall at the beginning of school. Just the way we like it . . . EMPTY!

When we enter 9th grade we are offered a foreign language. Pictured above to the right is a Spanish 1 class. Then talk about teacher abuse, (far upper right) is Mr. Craig trying to avoid the camera. But, knowing Mr. Craig, he's not being abusive, he's just a little 'camera shy."

Experiencing . . .

As we continue through the years we learn about ourselves and surroundings. We start to prepare for life after school. We pick our classes, deciding on our schedule. Will we be general, academic or business? We have to prepare for the "after-life." What college will I go to? Will I go to college?

But even with all these troubles and questions we still find time for fun. Goofing in the halls and talking to friends. We become more grown up and get an even closer relationship. All of these things make experiencing easier.

Continuing on with life, and school, we prepare ourselves for the future. Pictured to the left is the band. How many of these people will major in music?

Some people are good with rhythm, some are good with their hands. The poeple in the lower left corner are good examples of this.

Finally it's play time! In the picture below we have the sponge toss. All this fun earned money for the Children's hospital.

Remembering . . .

After all of the hard times, midterms, and finals, school is finally over. You are so happy at graduation. You're glad it's over. But, are you? You will, of course, have times of happiness, but you'll also miss old friends and teachers.

Looking back on the clothes that were popular, the foods you ate, the people you associated with. You look back and smile, maybe shed a tear. Missing those days. Not missing the work, but missing the atmosphere. It seems kind of sad. The athletic events, Pizza Hut, and Chico's. These are the MOMENTS TO REMEMBER!

In the picture above Doug Wynn, Gerald Wheyl, Pam Yurick, Judy Petratus, Rick Rodavich, Tammy LaRosa, and Janine Johnson pose for a picture in the cafeteria. The middle picture is a typical Carmichaels student locker. In the pic. to the right, Mr. Stuvek photogenicity. At the bottom, Deneen Peluso, Kelly Rush, Christy Sabol, Jeff Seift, Trina Ross, Jim Crockard, Linda Pascuzzo, and Jennifer Phillips take time out from eating for a picture.

Pep and Ski Club

The Pep Club has had a busy schedule this year. They attended football and girls and boys basketball games. They've done a fantastic job cheering these teams onto victory! Sitting through all those chilly football games and the hot, sweaty gym atmosphere never crossed the minds of these avid fans of the Mighty Mikes and Mikettes athletic groups.

The Ski Club attended many trips this year to Seven Springs Ski Resort. The treasurer Dawn Krause has really taken a lot of time and effort to make reservations and collect money for the trips. The Ski Club is open to Sophomores, Juniors, and Seniors. The club members have enjoyed attending the trips throughout this winter season.

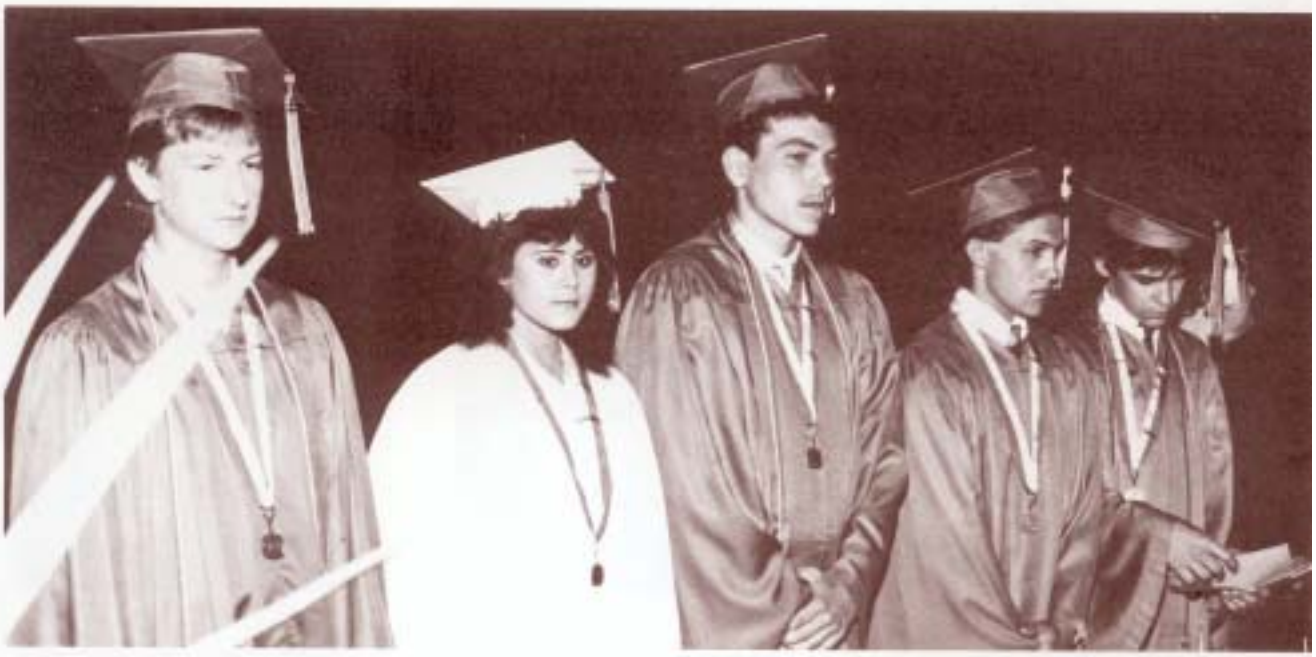
We Leave You With a Smile

The class of '87 commenced on a warm June 4th evening. The temperature was hot outside, but the excitement for the seniors made it much hotter on the inside. Everyone else must have been cool compared to the anxious seniors. There were many speakers that evening including Gary Davis; Salutatorian, Jim Crockard; Valedictorian, Mike Dulik; Class Pres., Mr. Sherlock, Dr. Zoldos, and Rev. Mansfield. But after all of the talk, the seniors finally became People (adults) . . . the future!!!



Gary Davis, Kelly Fortney, Doug Wynn, Mike Dulik, and Jim Crockard were introduced first.

Vicki Jezewski is just one of the 102 seniors going out into the "real" world.

Valerie DiGiacomo looked lovely in her cap and gown. It seems that she is enjoying the company.

Shawn Dickson and Valerie DiGiacomo are anxiously awaiting their name calling.

Gianna Gambini, a foreign exchange student from Italy, gave her farewell speech this night. It was sad for everyone. She took one last look and then asked that "You Never Say Good-Bye." Later on Kelly Fortney and Doug Wynn sang "We Leave You With a Smile." And it seemed that the sadness had turned to smiles as it was over, or is it just beginning?!?!

To the right is Dwight Phillips accepting his diploma from Mr. Fortney. Below is Karolee Yorko and Kim Ross being congratulated on getting their diploma. Bottom left are three young gidies who are awaiting to be called up for their diploma.

National Honor Society

The National Honor Society is for students who have risen far above the rest by maintaining a grade point average of 3.5. Along with maintaining this average they also prove to have the qualities required to be inducted into such an organization. Among these qualities are excellence in scholarship, service, leadership, and character. On March 17, the Senior High National Honor Society held its annual induction night for the newly selected members. This yearly ritual was performed in the Carmichaels Area Auditorium. The students selected proved to possess the various qualifications needed to be accepted into such a society. We congratulate these students on their efforts and achievements.

Teeing Off . . .

To start off the season, the team did pretty well, but they were less fortunate towards the end. Lonnie, first man, was out for seven matches due to an injury. Jeff, second man, filled this position. But there were good times also. Heather made history at C.A.H.S. for being the first girl in the starting line up, and also qualifying for the P.I.A.A. at Butlers Golf Course in September. Tiffany missed the state tournaments at State College, Pa. by one stroke, but also qualified for the P.I.A.A. Overall the team finished fifth in their section at Double-Dam Golf Course in September, and ended up with a 6-8 record.

Pictured on the left is Senior Lonnie McMinn, hitting a wedge shot to the green.

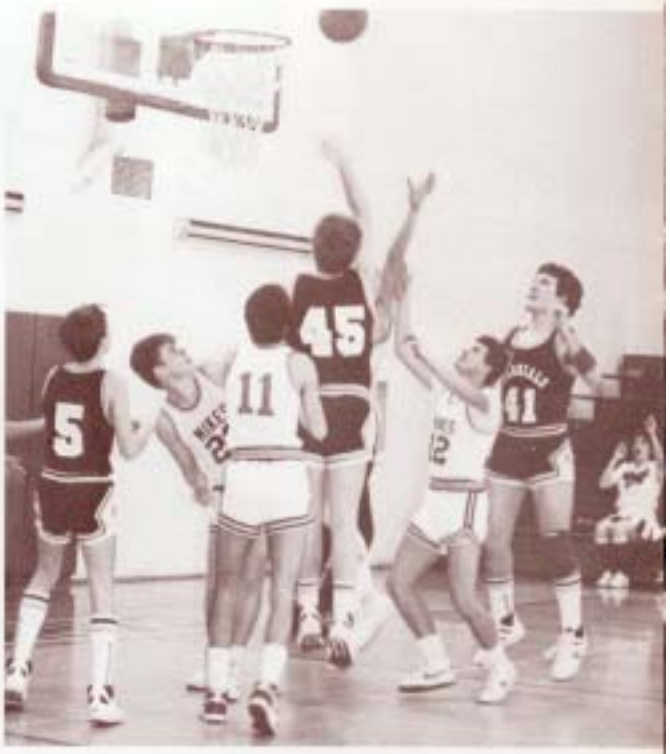
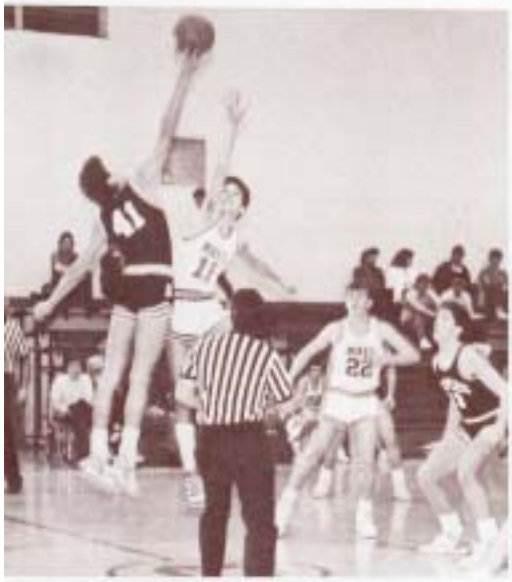
Our Boys In Action . . .

Even though the 86-87 season was almost winless, we came back with a win over Jefferson, who have been our rivals for years. The Seniors were especially proud, not only because it was the last game of the season, but it was their Senior Night. The score for the game was (16-6).

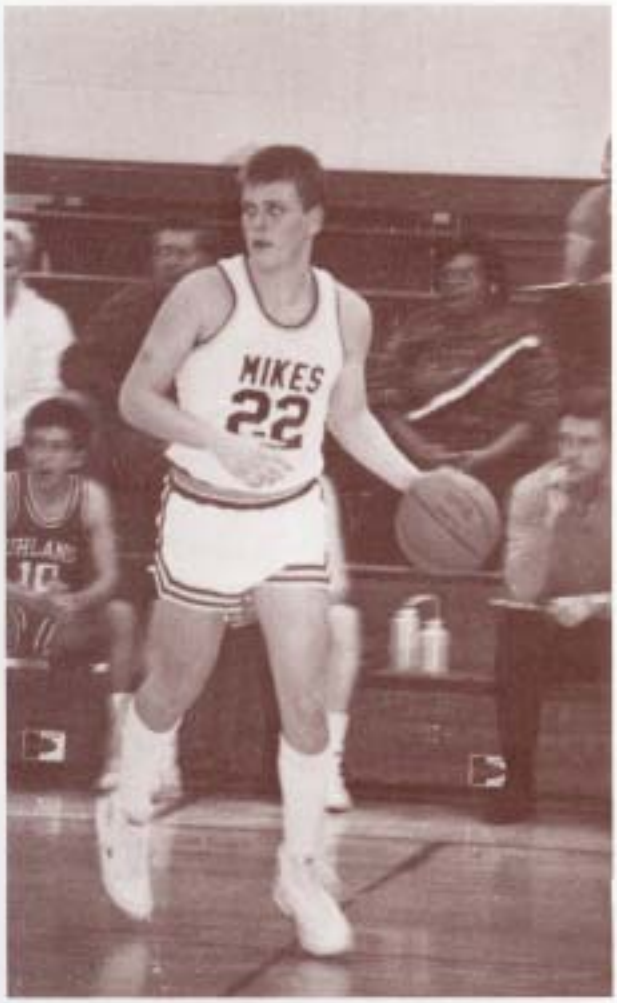
Pictured below are the Senior members of the 86-87 football team. From left to right are: Brian Bowser, Ed Abbott, and Geno Virgili. Brian was awarded the Most Valuable Player Award by the Lions Club. Pictured to the left are the coaches contemplating on some plays to be made during the game.





Top left, Paxton Pratt goes for a hook shot against the Gators. Top right, Glenn Kerr scores the lay-up leaving the Colonials in awe.

Above, Anthony Estanich scrambles for the jump ball. Right, We see Brent Lechner being chased down the court by a Maples opponent.



The Young and the Restless

The Mikes had a down but improving season. They overcame their rivals, Jefferson Rockets, on two separate occasions. Brandon Crago, the team's only Senior, provided the leadership that will be missed by the team next season. Pratt, Booze, and Workman along with Crago dazzled the crowd by their outside shooting while "Chooch" Estanich baffled the opposing teams with his inside game. With nine players returning, they hope that everything will change next season except for their wins, especially for the defeat of their rivals.

Ladies of the 80's

The Mikettes had a fairly decent season this year. They finished second in their section behind the Geible Gators and made it to the quarter finals. They defeated their rivals the Jefferson Lady Rockets twice. And in quarter final action beat the undefeated Mon-Valley Spartans. Junior Chris David was just recently notified on her accomplishment on being picked first team in section 18 by both the Post Gazette and the Observer Reporter. They did good last season, better this season, and plan to do even better next season.

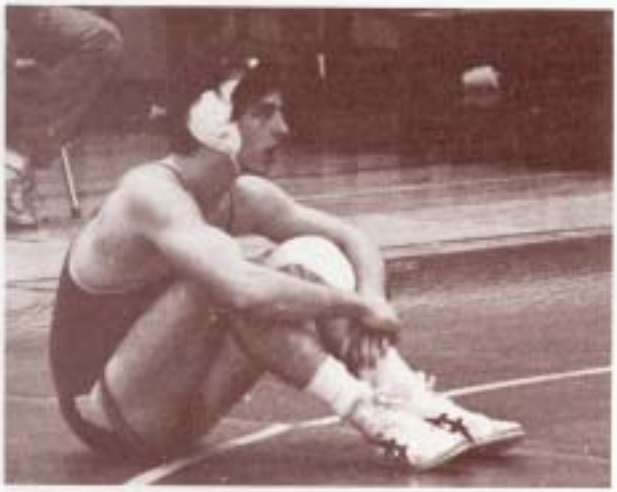
The Wrestling team had a great season this year. Maybe the word isn't great, it's awesome! The best overall player was Hank Workman. He finished first in the section with a record of 17-3. Bob Zalar was a close second with a record of 21-5-1. Other records for the season are Rick Rodavich with 13-6 and Jeff Swift with 13-4. Looking at tournaments, Workman and Swift took first and second respectively in Fort Cherry. Bob Zalar placed in the S. West Regional tournament and advanced to the state finals held in Hershey.

CONGRATULATIONS GUYS!! Also a special thanks to Mr. White!



Above is Ricky Rodavich anxiously awaiting his name to be called for a match. To the left is Todd Descutner sitting in awe of the referee's bad decision.

Baseball

This year's boys baseball team had a pretty good year. They ended up in third place, just short of second. They almost made the play-offs, but to our dismay they only take the first and second place teams. At least Mr. McCombs could be proud and so could this year's seniors. Those being Lonnie McMinn, Jeff Broome, Jeff Dulik, and Tom Jones. Congratulations Guys!!!

Pictured top right is T. McIntire, one of the teams most valuable players. Above is L. Burkholder one of the power hitters on the team. Above right are the Senior members of the team, R. Wilson, D. Peluso, C. DeMasse, and K. Yorko. To the right is C. DeMasse, following through with a swing.

Softball "87"

The coaches and players worked long, hard hours practicing for games. The girls gave their all in dedication and effort. They've had some close calls but fought the odds and made the best of the situation. Mr. Krajnak has taken his girls to the playoffs many a time, and each year they got closer to the W.P.I.A.L. Championship. Last year they went to the playoffs and this year they are on their way again. We will not know the outcome, but we are confident they will do their best.

Top left, C. David coming back from a slide into second base. To the left, Mr. Krajnak, the coach, signals for S. Ganocy to round third base and go in for a run.

CAMPUS LIFE

Nuclear

The Nuclear Physics Club went on their annual trip to Penn State this year. There they got to work on an actual Nuclear reactor! They also got to visit Historic Gettysburg. Pictured you see part of the club, and some of the sights.

Jump Rope for Heart

This year some of the students participated in the Jump Rope For Heart Association. They exerted lots of energy all for the benefit of ones who are less fortunate. The students not only enjoyed themselves, but also helped the association.

In the school year of 1986 a CPR program commenced. Health conscious students learned various important maneuvers that can save lives.

Honors

On May 6, 1987 our school held the first annual Honors Convocation. This year it was held in the First Methodist Church. Although this ceremony is not religious in any way it will be held in other churches in the years to come. The purpose of this ceremony is to honor 10, 11, and 12th grade honor roll students and also special seniors who excelled in one or more specific subjects.

The Junior members of the National Honor Society gave out that night's awards in senior gowns. Pictured with Mr. Sherlock are the top ten students of the Class of 87. Their names were put on a plaque that will hang on the wall with the future contenders.

On May 15 and 16, the Senior Class took a trip to Washington D.C. They visited the Washington Monument, the White House, the Smithsonian, and many other exciting places. Everyone enjoyed the trip.

Coal Queen Tryouts

Representing Carmichaels Area High School for the title of Coal Queen in August will be Jodi Burge. The tryouts were held in the high school auditorium on May 15. Although all of the girls competing for this title were worthy of it, only one was lucky enough to obtain it. During the tryouts, last year's candidate, Christy Sabol, was present to congratulate her heir. Thanks to all the girls for their hard work in preparing for this event and best of luck to Jodi.

New Friends And Old

Make new friends, but keep the old;
Those are silver, these are gold.
New-made friendships, like new wine,
Age will mellow and refine.

Friendships that have stood the test —
Time and change — are surely best;
Brow may wrinkle, hair grow gray;
Friendship never knows decay.

Cherish friendship in your breast —
New is good; but old is best;
Make new friends, but keep the old;
Those are silver, these are gold.

Student Life

Spring Fling

This year, the Jr. High Student Council decided to try something new for the graduating freshmen. They sponsored a dance for freshmen and their escorts only. The dance, entitled "Spring Fling," was held at the Carmichaels Sr. Citizens Center and was a huge success. Couples had the option to have their pictures taken before the fun began, the rest of the evening was spent dancing and refreshments were provided by the parent council.

As shown in the top picture, earlier in the day, the Student Council spent many hours of hard work and dedication into preparing for this event. In the pictures below it is obvious that everyone is enjoying themselves and having the time of their lives. Everyone that was asked had only positive criticism of the dance.

Since this year's "Spring Fling" was such a success, we hope the Student Council will continue to sponsor this dance for the upcoming freshmen for many years.

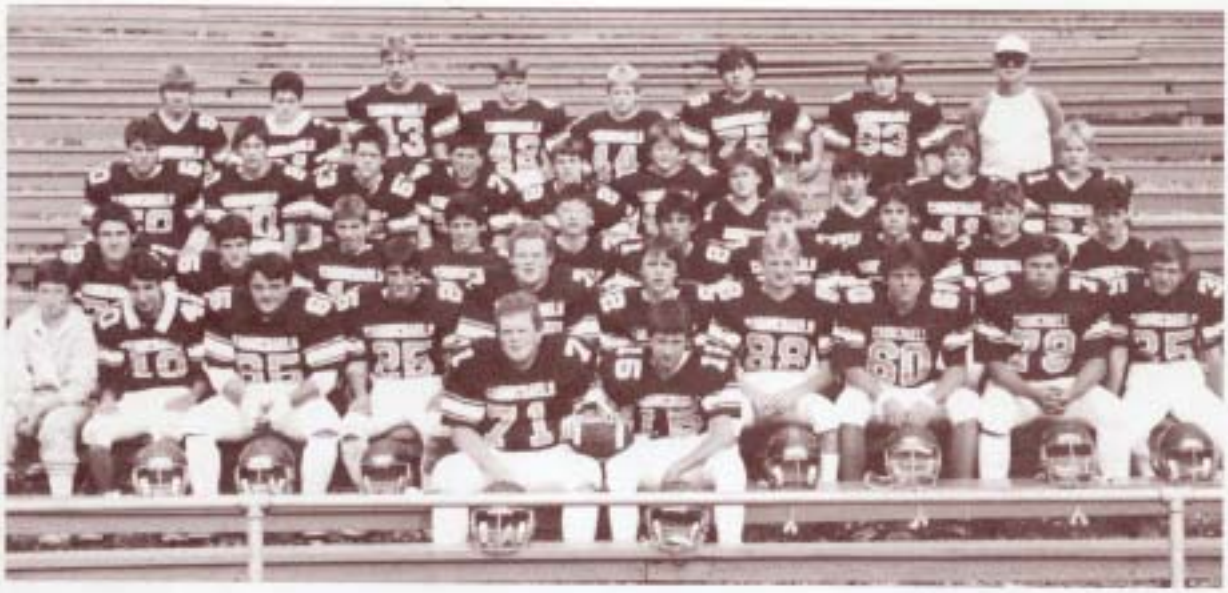
Basketball

Although this year's Jr. High basketball team only won 3 games, their great efforts and hard work throughout the season made it a rewarding year. In the picture to the left, Aaron Waters attempts a foul shot in the game against Jefferson-Morgan. Pictured below. He also attempts a basket.

Pictured above from left to right, Row 1: Carl Meyers, Brian Swift, Peter Stofcheck, Aaron Waters, Chad Warren, and Steve Bifano. Row 2: Heath Worch, Eric Belan, Billy Gallantine, Bobby Kramer, Preston Pratt, Jeffrey Jacobs, Thomas Davidson. Not pictured are Chad Hixenbaugh and Thomas Russell. We congratulate Coach McCombs and his team on a job well done.

Football

We congratulate Coach Lapkowicz and his team for a rewarding season. Through everyone's hard work and perseverance they have made this year another good one.



Pictured above, with 3 wins, the 86-87 Jr. High Football team. Members are W. Arbuckle, R. Baker, D. Bogden, P. Bogden, B. Bowlen, B. Czyzewski, S. Hennessey, L. Hunyady, C. Johnson, M. Jurczak, D. Jr. High Cheerleaders

The cheerleaders were as peppy as ever as they supported our teams throughout the 1986-87 season. Your support was greatly appreciated.

The members of the Jr. High Squad are as follows: Jennifer Roybal, Amber McKean, Stacey White, Cathy Belan, Nicole Beal, Joey Hornick, Kara Smith, and Janel Bailey. There are three members of the Junior Varsity Squad. They are Pam Titus, Vicki Repa, and Kristy Prohira. Above, the mascot was also a motivating factor for the team.

These cheerleaders also attended a tough competition at Waynesburg College after the conclusion of their season. They placed first in the dance and chant categories. We congratulate them on their efforts.

School Day Memories

As we reach out our hand
The diploma we grasp,
While we think of the memories
Of the years in the past.
Tears fill our eyes
Because it's all gone,
We're starting a new life,
We have to move on.
We hope friends will keep in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the end
We are going away.
How do you say good-by
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one,
Don't think of school as ending —
Think a new life has begun.

Cindy Kichline, 17, Easton, Pa.
